FOR IMMEDIATE RELEASE:

G. L. Huyett Requests Project Drive Applicants for One Thousand Dollar Grant

Minneapolis, Kansas, 08/24/09-Project Drive, sponsored by G. L. Huyett, has allocated a \$1,000.00 grant to help fund non-profit projects that improve North Central Kansas communities. The grant will be awarded to an individual, institution or organization for the community betterment project that best improves a North Central Kansas community.

Applications will be accepted September 1, 2009 through October 1, 2009 and reviewed by the Project Drive Selection Committee during the month of November 2009. The application that is chosen will be announced before December 1, 2009. The winning project will be awarded \$1,000.00 to realize their community improvement vision. Please note, Applicants are asked to ensure that projects are non-profit and located within 50 miles of Minneapolis, Kansas.

Project drive was founded in 2007 as part of a comprehensive community improvement initiated by G. L. Huyett. The sponsoring organization, G. L. Huyett, is a Manufacturer and Master Distributor of specialty non-threaded fasteners. "With our company's success, we have a responsibility to share with our community and thus create an atmosphere where other people can succeed. In doing this, we strengthen our community not only for ourselves, but for our children's future," states G. L. Huyett Vice President Timothy O'Keeffe.
